*Ministers  
Larry & Deborah Hunter*

*January, 2007*

God bless you!! We pray and trust that you had a blessed year in 2006 and that you are set for an even more prosperous 2007.

You may remember that Deborah and I spoke to you of the burden that God has given us for the people of Brazil and of our plans to relocate there as fulltime missionaries. Well, we are currently focusing on the preparations to do just that.

In order for us to successfully achieve this, we will be making some changes that we want to make you aware of. After a season of seeking the Lord's wisdom, we have decided to submit ourselves to Living Water Teaching (LWT) — a missions organization with headquarters in Caddo Mills, TX.

LWT is the very organization that we worked under when we served as fulltime missionaries in Guatemala and Honduras over a period of 4 years (from 1996 – 2000). We sincerely encourage you to visit

[www.livingwaterteaching.org](http://www.livingwaterteaching.org) to learn more about this organization.

In making this change, we will of necessity be dissolving Larry Hunter Ministries International. LWT will then assume the responsibility for receiving all correspondence sent to us and making it accessible to us. You will continue to enjoy the benefit of tax deductibility of your future financial gifts of support into our ministry since LWT is a 501c3 non-profit organization.

Deborah and I will be beginning a work in Brazil under LWT. Although LWT currently has works in Guatemala, El Salvador, Honduras, Nicaragua, Panama, Costa Rica, Belize, Mexico and Paraguay, there is not yet a work in Brazil. Our vision which is also the vision of LWT is to make disciples throughout Brazil according to Matthew 28:18-20. We will accomplish this by developing various Bible School programs.

The date of our transition from LHMI to LWT will be March 31, 2007. You may

continue to communicate with us through the current contact info that you've been using until the beginning of April when we will begin receiving our mail at the LWT address:

**The Hunters**  
**United with Living Water Teaching**  
**PO Box 1190**  
**Caddo Mills, TX 75135**

We will not be leaving for Brazil at that time because we still have a number of preparations that we must complete (including the tremendous task of raising the necessary support). Before being able to depart for Brazil with LWT, we are required to have an accumulation account of \$10,000 and have established a team of committed partners whose combined gifts total \$2,500 monthly as well. We will be keeping you informed of our progress along the way.

Currently, because of our concentration on our preparations for relocation to Brazil, we have only scheduled one international mission trip for this year. In early May, I will be traveling again with a team of ministers

into East Africa. We will travel to a very remote region of Southwestern Ethiopia to minister to tribal groups along the Omo River. These people are very primitive and have just recently begun to hear the Gospel of Jesus Christ. We were unable to reach this group on my last trip because of severe damage and loss of roads due to flooding. I ask you and thank you in advance for your prayers for me as we (a

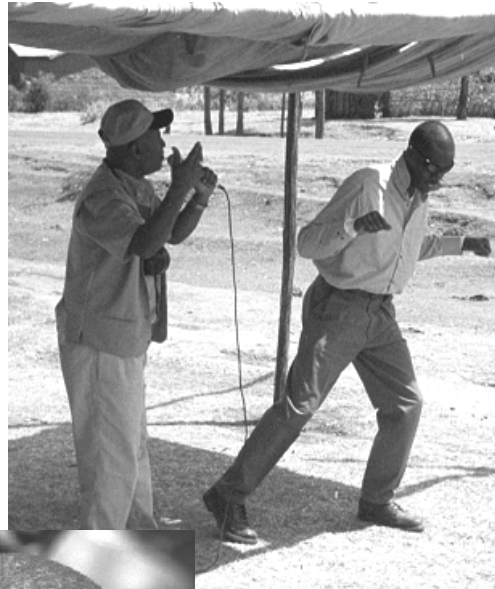

team of 3 to 6) journey into this dangerous region. The dates for this trip are April 30 to May 13.

Deborah and I thank you for your faithful partnership with us in ministry. We realize that the great commission to "Go ... and teach all nations ..." can only be carried out as you and I partner together. We are making it happen! Please feel free to

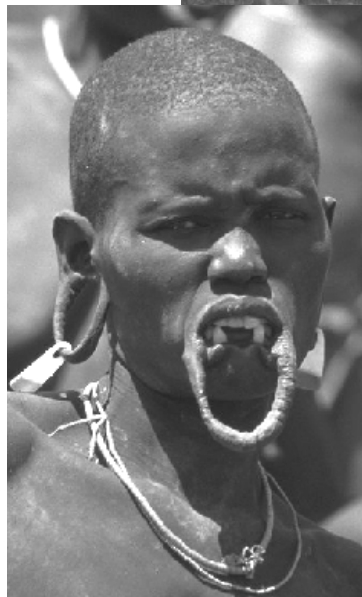

contact us with any questions that you may have.
